Re: boundaries of the shandy maidan in Holenarsipur
Municipality

I have the honour to state that the Town Municipal Council of Holenarsipur have proposed in their resolution dated 28 4 1946 to extend the boundaries of the weekly shandy held in the town upto the Toll gates on all sides with a view to prevent smuggling of articles on which fee is recoverable. On further correspondence the Municipal president has intimated that the original boundary of the shandy ground was sanctioned by Government but the orders relating to the same are not forthcoming. The proposal is neither a bye-law or rules framed under any section of the Municipal Act but it is intended to extend the boundaries of the shandy grounds. As it is stated that the original boundary of the shandy grounds was sanctioned by Government, I request that sanction of Government may kindly be obtained to the resolution of the Municipal Council dated 28 4 46 extending the boundaries upto the Toll gates on all sides.

A copy of the resolution and the sketch showing the shandy grounds are enclosed.

It is also stated that the proposal has been given effect to while disposing of the right of collecting fee in the shandy since July 1946.
